The airfield is located about 3 km north of Porovichi (58°24*N/33°55'E), Leningrad Oblact, just east of the road to Polgino (58°27'N/33°51'E). The Lista River was about 1.5 km west of the road, making a slight bend to the northwest of the field. The field was used as a landing field for commorcial planes. The field had no installations. The former hangar was destroyed. No flying was observed except for the irregular landing of small two-seater biplanes.
